
HELLO CHURCH FAMILY!

Looking forward to March and April because it is the Easter Season! The theme for the series that Bro. Jacque and I will be preaching is called "Resurrection!" We all need "Resurrection" in our daily lives, in our family, in our marriage, and even in our church!

To find the "Resurrection" we need in our lives, we will be looking at the last 5 chapters of the Gospel of John. We will be preaching how Jesus loved as He faced and overcame the pain, the despair, the hurt, the injustice, the betrayal, and the death that He would endure for us. It will be an empowering time for us!

Also, we will be Reaching the Summit too! We will find "Resurrection" in the way we strengthen the Lord's ministries at New Hope! I pray that every member will come to the Dream Team Meeting Saturday, March 6th, as we learn how we will Reach the Summit with George Yates! Please sign up and join us for Breakfast at 8:30 am!

Praying God's Best for You,

Paul
