During the invitation, if you desire to accept Christ as your Savior or to make New Hope your church home, we would welcome your decision in several ways. If you have any questions, please ask any of our ministry staff. They would love to help!

- **On a Profession of Faith**—public commitment to Jesus Christ and asking for a membership in our church through Christian Baptism.
- **By Transfer of Letter**—if you have been baptized at another Baptist church.
- **By Statement of Faith**—if you have been baptized by immersion and are not presently associated with a Baptist church.
- **Baptism from another Denomination**—if you are a Christian and are coming from another denomination (never been a Baptist), you may come for baptism in our church.
